Diary 2019 questionnaire – uas202

- In this document, there are some areas which are shaded for various reasons
  - RED STRIKETHRU – Text was deleted or moved to another location
  - YELLOW – New text or new programming instructions
  - GREEN – Place holder for discussion or new items which are not yet approved, questions or concepts to be revised, areas for discussion.
  - In addition, programming instructions are usually in red text and I’ll start them with a comment marker like this
    - ## Hello this is an instruction or comment

1) Pre-Day 0

## Reminders: HAVE THE VENDOR SEND EMAIL REMINDERS TO TAKE THE SCPC EACH DAY FOR 3 DAYS LEADING UP TO THE DIARY DAY

## Send reminder email to the respondent each diary day (0, 1, 2, and 3). The email should remind the respondent to remember to participate in the diary and to log on each night.

## Variables to pull in from the SCPC:

- pa001_a, pa001_b, baadopter
  - These are number of checking accounts, number of savings accounts, and flag for bank account adoption
- pa008 questions, dcadopter
  - pa008_a1, _a2, _a3, pa008_b1, _b2, _b3
  - These are the responses to the number of debit cards and number of ATM cards. DCADOPTER is the created variable that controls the flow of later parts of the survey.
- ccadopter
  - This created variable controls the flow of the survey for those respondents with credit cards
- Pcadaptor, GPRADOPTER
  - These variables have to do with prepaid cards and general purpose prepaid card adoption.
- moadopter
  - This created variable controls the flow of the survey for those respondents who are money order adopters.
- obbpadopter
This created variable controls the flow of the survey for those respondents who are online banking bill payment adopters.

- **DE013**
  - If de013 = 1 then respondent owns primary home, if de013 = 2 then they do not own home.
- **pa001_d1, pa048**
  - If pa001_d1 = YES then the respondent has a Paypal account
  - pa048 asks how the payment account is funded. We are interested in response option 4, “money stored with payment service”

### 2) Day 0 Intro/Welcome screen

*IF diarist logs on and SCPC IS INCOMPLETE, THEN SHOW WARNING:*

It is important that you take the Survey of Consumer Payment Choice (SCPC) before participating in this Diary.

Please click here to take the SCPC.

After you take the SCPC, you will be able to continue participating this Diary.

### This “Day 0” section contains items that we need to ask the night before the respondent begins the diary. Items that are in this module are “time sensitive” meaning that they have to be asked before the diarist starts recording their payments and transactions.

### Intro screen

Thank you for agreeing to participate in the 2019 *Diary of Consumer Payment Choice* on

[ADD SPACE HERE]

[DISPLAY DIARY DAY 1 HERE, example “Wednesday, October 3”] to [DISPLAY DIARY DAY 3 HERE, example “Wednesday, October 3”].

[ADD SPACE HERE]

Today,

[ADD SPACE HERE]

[DISPLAY DIARY DAY 0 HERE, example “Wednesday, October 3”],

[ADD SPACE HERE]

you will be answering a 10-minute survey that helps us prepare for your answers during the next three days. Please answer these questions at the end of the day today.

Tomorrow,

[ADD SPACE HERE]

[DISPLAY DIARY DAY 1 HERE, example “Wednesday, October 3”],

[ADD SPACE HERE]

we will ask you about purchases, payments, and cash activity. Please record all of payment behavior, including days with zero payments or no cash activity.
Your diary responses will be used for research purposes only.

3) Account ownership – import from SCPC

### This section will be replaced by the Accounts Module in the SCPC. If the respondent has already taken the SCPC, then we don’t need to ask any of the questions about account ownership or adoption.

We will import their answers from the SCPC and maybe give them a screen which says “Is everything correct?”

### Here we want to build new variables that are a combination of the SCPC variables if they exist, or the new DCPC variables if they are not missing. We’ll use these variables to control the flow of certain questions later in the online diary questionnaire. First we must initialize the variables.

```
dcpc_pa001_a = SCPC variable pa001_a
dcpc_pa001_b = SCPC variable pa001_b
dcpc_dcadopter = SCPC variable dcadopter
dcpc_ccadopter = SCPC variable ccadopter
dcpc_gpradopter = SCPC variable gpradopter
```

IF diarist has already taken SCPC:

(qday0_scpcintro)

Previously, you took another survey called the Survey of Consumer Payment Choice. In that survey, you told us you:

### display as a table, where each row has one of these lines of text

| Have [FILL: pa001_a. if pa001_a = missing then display “0”] checking account(s) |
| Have [FILL: pa001_b. if pa001_b = missing then display “0”] savings account(s) |
| IF DCADOPTER = 1 THEN: Have at least one debit card |
| ELSE IF DCADOPTER = (0, missing) THEN: Do not have a debit card |
| IF CCADOPTER = 1 THEN: Have at least one credit card |
| ELSE IF CCADOPTER = (0, missing) THEN: Do not have a credit card |

Is this all correct?

1. Yes
2. No

IF (qday0_scpcintro = NO or if SCPC has not been completed) then

## One screen for all of the following (temp_pa001_a, temp_dcadopter, temp_ccadaptor, temp_gpradopter)

Please tell us the correct information about your accounts and cards.

(temp_pa001_a)
- Number of checking accounts you own: [numeric text box]

(temp_pa001_b)
- Number of savings accounts you own: [numeric text box]

(temp_dcadopter)
- Do you have any debit cards?
  1. Yes
  0. No

(temp_ccadaptor)
- Do you have any credit cards?
  1. Yes
  0. No

## Next, we’ll use the variables initialized above and the responses from the question above and set the variable to the correct value if necessary.

IF (temp_pa001_a not missing and temp_pa001_a not equal to dcpc_pa001_a) then dcpc_pa001_a = temp_pa001_a

IF (temp_pa001_b not missing and temp_pa001_b not equal to dcpc_pa001_b) then dcpc_pa001_b = temp_pa001_b

IF (temp_dcadopter not missing and temp_dcadopter not equal to dcpc_dcadopter) then dcpc_dcadopter = temp_dcadopter

IF (temp_sbldcadopter not missing and temp_sbldcadopter not equal to sbldc_dcadopter) then sbldc_dcadopter = temp_sbldcadopter
IF (temp_ccadopter not missing and temp_ccadopter not equal to dcpc_ccadopter) then dcpc_ccadopter = temp_ccadopter

## new screen – ask to everybody

(do_you_have_gpr)

When you took the Survey of Consumer Payment Choice, we asked if you have a general purpose reloadable prepaid card. Sometimes people get rid of their prepaid cards, and sometimes they get new ones, so we need to ask you again.

Do you have any general purpose reloadable prepaid cards?

- These prepaid cards have a logo from Visa, MasterCard, Discover, or American Express and can be used to make payments anywhere credit cards or debit cards are accepted.

1. Yes
2. No

## assign value to dcpc_gpradopter

IF do_you_have_gpr = YES then dcpc_gpradopter = YES
ELSE dcpc_gpradopter = NO

IF ccadopter = 1 OR dcpc_ccadopter = 1 THEN (ccq_001)

Think about all your credit cards.

During the period between [DISPLAY DIARY DAY 1 HERE, example “Wednesday, October 3”] to [DISPLAY DIARY DAY 3 HERE, example “Wednesday, October 3”], how many different credit cards do you expect to use to make payments?

0. 0
1. 1
2. 2
3. 3
4. 4
5. 5
6. More than 5

## New screen

Please tell us about each credit card you typically use to make payments.
We will use the nickname to refer back to this card during your diary period. The nickname can be something like “blue card” or “kitten picture”.

IF ccq_001 = 6 then show instruction:
You told us that you have more than five credit cards that you use in a typical month. We are only going to ask you about the five you use most often.

IF ccq_001 = 0 then show instruction:
You told us that you expect to use zero credit cards in the next few days. Please describe the credit card you use most often.

## Number of rows equals number selected above.

<table>
<thead>

ENDIF  ## IF ccadopter = 1 OR dcpc_ccadopter = 1 THEN
4) Balances – Beginning of diary cash and account balances

a) Balance – Count your cash

(q1)
It is important that we know how much cash you started this diary period with.

- Do not count foreign currency.
- Do not count coins.

At the end of the day on [DISPLAY DIARY DAY 0 HERE, example “Wednesday, October 3”] do you have any paper cash in your wallet, purse and/or pocket?

1. Yes
2. No

If q1 = NO then:

(q1a)
Please tell us why you don’t have any paper cash.

1. I just ran out and I need to get more.
2. I am broke
3. I usually do not carry cash.
4. I gave my cash to someone else, such as a family member/friend/housemate.
5. My cash was stolen or lost.
6. Other (specify)

Other. ______________

If q1 = YES then show the following screen:

---

Cash in wallet, purse and/or pocket

Please tell us the number of bills of each denomination in your wallet, purse and/or pocket at the end of the day on [DISPLAY DIARY DAY 0 HERE, example “Wednesday, October 3”].

Your total dollar amount will be automatically calculated.

- Do not consider coins.
- Do not include foreign currencies.

NUMBER OF:

_____ x $1 bills = $[calculated on the fly]  
_____ x $20 bills = $[calculated on the fly]

_____ x $2 bills = $[calculated on the fly]  
_____ x $50 bills = $[calculated on the fly]

_____ x $5 bills = $[calculated on the fly]  
_____ x $100 bills = $[calculated on the fly]

---
---

### x $10 bills =$[calculated on the fly]

Total dollar amount $[GRAND TOTAL DOLLAR AMOUNT, calculated on the fly]$

#### Variable names for the items above:
- denom1_num (the number of bills), denom1_amnt (the dollar amount)
- denom2_num, denom2_amnt
- denom5_num, denom5_amnt
- denom10_num, denom10_amnt
- denom20_num, denom20_amnt
- denom50_num, denom50_amnt
- denom100_num, denom100_amnt
- amntcashend

(q1b)

You told us you have $[GRAND TOTAL DOLLAR AMOUNT] in cash in your wallet, purse and/or pocket. Is this amount correct?
- 1. Yes
- 2. No

****If q1b = NO, please take the diarist back to the “Count your paper cash” screen so they can correct their numbers***

#### The name of the variable for GRAND TOTAL DOLLAR AMOUNT should be “amntcashend_day0”. If the respondent does not have any cash at the start of Day 0, then amntcashend_day0 = 0. If q1 = NO then amntcashend_day0 should be set to 0, not missing

(scpc_pa015_b)

Do you have any cash stored elsewhere in your home, car, office, etc.?  
- *Do not include cash owned by other members of your household.*

- 1. Yes
- 2. No

IF scpc_pa015_b = YES then

---

**Cash stored elsewhere**

Please tell us the number of bills of each denomination stored elsewhere in your home, car, office, etc., on [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”].

Your total dollar amount will be automatically calculated.

©2010–2019 Federal Reserve Bank of Atlanta. Proprietary and Confidential. Do not release or disclose to unauthorized parties without the prior written consent of the Federal Reserve Bank of Atlanta.
• Do not consider coins.
• Do not include foreign currencies.

NUMBER OF:

____ x $1 bills = $[calculated on the fly]  
____ x $20 bills = $[calculated on the fly]

____ x $50 bills = $[calculated on the fly]

____ x $5 bills = $[calculated on the fly]  
____ x $100 bills = $[calculated on the fly]

____ x $10 bills = $[calculated on the fly]

Total dollar amount $[GRAND TOTAL DOLLAR AMOUNT, calculated on the fly]

## Variable names for the items above:
storedcash1_num, storedcash1_amnt
storedcash2_num, storedcash2_amnt
storedcash5_num, storedcash5_amnt
storedcash10_num, storedcash10_amnt
storedcash20_num, storedcash20_amnt
storedcash50_num, storedcash50_amnt
storedcash100_num, storedcash100_amnt
storedcash_total_amnt

## ERROR Check

If every cell in “Count your paper cash stored elsewhere” is left blank, then show the following screen:

(storedcash_estimate_amnt)

It is important for us to know how much cash you have stored elsewhere in your home, car, office, etc.

Please give us an estimate of how much cash you have stored elsewhere in your home, car, office, etc.

$____________

(q1_storedcashcorrect)

You told us you have $[GRAND TOTAL DOLLAR AMOUNT OR storedcash_estimate_amnt] in cash stored elsewhere in your home, car, office, etc. Is this amount correct?

1. Yes
2. No  ## If they select NO, take them back to the “Cash stored elsewhere” screen

b) Balance – Checking account

## Now we will ask about checking account balances on every diary day!

## New screen
IF dcpc_pa001_a = 1 THEN

Please tell us the balance of your checking account as of [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”].

- Round to the nearest dollar
- Please report the total balance of the checking account, even if jointly owned

(pa072_a)
Balance of checking account $_______________ .00

(pa072_a_time)
Please tell us the time that you checked the balance of your checking account on [DAY 0 DATE].
[clock widget]

ELSE IF dcpc_pa001_a >= 2 THEN

Please tell us the balance of your primary checking account as of [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”].

- Round to the nearest dollar
- Please report the total balance of the checking account, even if jointly owned
- Your primary account is the account you use most often to make payments, not necessarily the account with the most money in it.

(pa072_a)
Balance of primary account $_______________ .00

(pa072_a_time)
Please tell us the time that you checked the balance of your primary checking account on [DAY 0 DATE].
[clock widget]

IF pa072_a > 10000 THEN
(pa072_followup)
The dollar amount you reported for your checking account balance is unusually large. You reported an amount of $[FILL: value of pa072_a, formatted with dollar sign and commas as necessary].

Please confirm that this is the correct amount. If the dollar amount is not accurate, select “No” below and enter the correct amount on the following screen.
Is the amount you reported correct?
1-Yes
2-No  ## if they select NO, take them back to the screen with pa072_a
END IF (pa072_a > 10000)

ENDIF (dcpc_pa001_a)

c) **Balance – Savings account**

## We’re going to ask savings account balance on Day 0 only

## New screen

IF dcpc_pa001_b >= 1 THEN

Please tell us the **balance** of your primary savings account as of [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”].

- Round to the nearest dollar
- Please report the total balance of the savings account, even if jointly owned

(pa077_a)
Balance of savings account $_______________ .00

(pa077_a_time)
Please tell us the time that you checked the balance of your savings account on [DAY 0 DATE].
[clock widget]

END IF (dcpc_pa001_b >= 1)

d) **Balance – General Purpose Prepaid cards**

IF dcpc_gpradaptor = YES (“1”) THEN

(gpr_bal)

Please tell us the **balance** of your primary general purpose reloadable (GPR) prepaid card as of [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”].

- Your primary GPR prepaid card is the one you use most often to make payments with a GPR card, not necessarily the GPR card with the most money in it.
- Round to the nearest dollar.

What is the balance of your primary GPR prepaid card?

$_______________ .00
(gpr_bal_time)
Please tell us the time you checked this balance.
[clock widget]

(gpr_bal_date)
Please tell us the date you checked this balance.
[calendar widget]

IF gpr_bal > 1000 THEN
  (gpr_bal_followup)
  The dollar amount you reported for the balance of your primary GPR prepaid card is unusually large. You reported an amount of $[FILL: value of gpr_bal, formatted with dollar sign and commas as necessary]. Please confirm that this is the correct amount. If the dollar amount is not accurate, select “No” below and enter the correct amount on the following screen.

Is the amount you reported correct?
1-Yes
2-No	## if they select NO, take them back to the screen with gpr_bal
END IF (gpr_bal > 1000)

ENDIF (dcpc_gpradopter = YES)

5) Income and employment status

(q14)
Now we would like to ask you a few questions about your employment and income.

What is your labor force status?

- Please choose all that apply.

1. Currently working
2. On sick or other leave
3. Unemployed - on layoff
4. Unemployed - looking
5. Retired
6. Disabled
7. Other (specify)
   a. [open ended text box]
## new screen -- q15
If q14 = “Currently working” is selected then

(q15)

Are you employed by government, by a private company, a nonprofit organization, or are you self-employed?
1. Government
2. Private-for-profit company
3. Non-profit organization including tax exempt and charitable organizations
4. Self-employed

End skip (q14 = working now)

## New screen

(q140)
Do you receive any of the following types of income?
• Please tell us only about income you receive, not income of a spouse, partner, or other household member.

| (q140_a) Employment income (wages, salary, bonuses) | Yes | No |
| (q140_c) Self-employment income | | |

### Important routing note
Here is where the “trail” of questions ends for “Financial services provider”. Instead of going back to the payments screen, by way of the screen “Did you make any other purchases today [Diary date]?” the survey should continue on and ask the Payment Instrument Follow-up Questions, which begin down below with question q103f. Then after those questions have been answered, the respondent should see the screen “Did you make any other purchases today [Diary date]?” This should be the case for all the merchant categories from the payment entry screen. We always want to see the Payment instrument follow-ups before we get to the next payment.

  1. Yes
  2. No
END IF (amount spent >= 50)

## New screen

(paydescribe001_N)

We just asked you to classify your payment based on categories that we provided. Sometimes a payment doesn’t often fit perfectly into our categories.

So we can better understand the nature of the payment you made, please, in your own words, briefly describe this payment.

- **For example, tell us what you bought or paid for, and who you paid.**

[opne ended text entry box, 500 character limit, display remaining number of characters below box]

## Here is where we loop back to the payment screen (q2). At this point, the respondent has described one full payment. If they have more payments, then they will loop back to the q2 screen. If they don’t have any more payments, then they will go on to the next question.

(PD100)

Did you make any other payments today [DISPLAY DIARY DATE HERE, example: Wednesday, October 3]?

1. Yes
2. No

e) Reminders and recall aids – median 9 seconds

(q98b)

Some types of payments are easily forgotten. Did you make any of the following types of payments on [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”] that you did not tell us about previously?

- **Check all that apply, or click the Next button if none**

  - [ ] Paying tolls by E-ZPass, cash, or other payment method
  - [ ] Using mobile payment apps, such as PayPal, Zelle, Venmo, etc.
  - [ ] App downloads
  - [ ] Music downloads
  - [ ] Public transportation
  - [ ] Paid with my phone (examples: Uber, Venmo, parking, etc.)
  - [ ] Gambling losses
  - [ ] Lottery ticket
 IF q98b has at least one box checked, then take the respondent back to the payments entry screen (q2). In addition, add text to the top of the payment entry screen that reminds the respondent of what they clicked on this screen. Something like this:

You told us you made the following types of payments, but did not report them earlier:

• [bullet point checked on q98b]
Please record those payments below.

For each box selected in q98b, loop through the payment entry screen and all follow-ups. Keep this text at the top of the payment entry screen until they have finished recording all the payments. After completing the payment module once for each box, ask “Do you have any other [bullet pointe from q98b] that you would like to report?” If “no,” continue to other bullet points (if any). If “yes,” loop back to payments screen with the same bullet point in the header.

## same screen for both q5_1 and q5_2

(Q5_1)
Did you start [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”] carrying any coins in your pocket, wallet, or purse?

1. Yes
2. No

IF numcashpurch > 0 THEN

(Q5_2)
Did you use coins to pay for all or part of a cash payment you made on [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”]?

1. Yes
2. No

ENDIF (numcashpurch > 0)

If Q5_2 = Yes and number of cash payments > 0

## same screen for q5_3 and q5_3_dollar

(Q5_3)
You told us you made [FILL: number of cash payments from purchases and bills] cash payments on [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”].
For how many cash payments did you use coins to pay for some or all of the payment? 
____________ payments

(q5_3_a)
What was the total dollar amount of the coins you used for payments today?
$____________

End skip (Q5_2 = Yes)

10) End of day balances on Cash, Checking account, and prepaid cards

a) Cash

## Now we’re going to ask cash balance on Day 0 and at the end of Days 1, 2, and 3.

(Q5pre)
End of Day [1, 2, 3], [DISPLAY DIARY DATE DAY 3 HERE, example “Wednesday, October 3”], cash amount:

Did you end the day with any paper cash in your wallet, purse and/or pocket?
• Do not consider foreign currency.

1. Yes
2. No

If Q5pre = NO

(Q5no)
Did you spend or deposit all your cash today?
1. Yes
2. No
3. I did not have or use any cash today.

***if Q5pre = NO then total cash at end of Day [1, 2, 3] should be set to 0, not missing***

ENDIF

If Q5pre = YES then:

Q5. ***Make ending cash amount pages look like “cash on Day 0” page.***
Cash in wallet, purse and/or pocket

End of the day cash amount – Please tell us the number of bills of each denomination in your wallet, purse and/or pocket at the end of the day, on [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”].

Your total dollar amount will be automatically calculated.

● Do not consider coins.
● Do not count foreign currency.

NUMBER OF:

___ x $1 bills = $[calculated on the fly]  ___ x $20 bills = $[calculated on the fly]

___ x $2 bills = $[calculated on the fly]  ___ x $50 bills = $[calculated on the fly]

___ x $5 bills = $[calculated on the fly]  ___ x $100 bills = $[calculated on the fly]

___ x $10 bills = $[calculated on the fly]

Total dollar amount $[GRAND TOTAL DOLLAR AMOUNT, calculated on the fly]

## The name of the variable for GRAND TOTAL DOLLAR AMOUNT should be “amntcashend”. If q5pre = NO, in other words the respondent does not have any cash, then amntcashend = 0.

## Variable names for the items above:
denom_end_1_num (the number of bills), denom_end_1_amnt (the dollar amount)
denom_end_2_num, denom_end_2_amnt
denom_end_5_num, denom_end_5_amnt
denom_end_10_num, denom_end_10_amnt
denom_end_20_num, denom_end_20_amnt
denom_end_50_num, denom_end_50_amnt
denom_end_100_num, denom_end_100_amnt

amntcashend

(q5_correct)
You told us you have $[GRAND TOTAL DOLLAR AMOUNT] in your wallet, purse and/or pocket. Is this amount correct?
   1. Yes
   2. No

****If q5_correctscreen = NO, please take the diarist back to the “Count your paper cash” screen***
b) Checking account

## Here I will add the checking account balance screen pa072_a. It will be repeated on Day 1 and Day 2. It’s already listed below in the “Day 3 Only” section. Since it’s already programmed for Day 0 and Day 3, this should be sufficient to list these screens here for Days 1 and 2 and leave the Day 0 and Day 3 programming as it is.

IF dcpc_pa001_a = 1 THEN

Please tell us the balance of your checking account as of Day [FILL: today’s diary day number, either 1 or 2] of your diary, [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”].

It is important for us to get an accurate measure of your balance.

Please use one of the following methods to look up your checking account balance:

P7 – Online banking bill payment
P8 – Money order
P10 – Mobile payment apps, such as PayPal, Zelle, Venmo, etc.
P11 – Account-to-account transfer
P13 – Other payment method

## New variables

q211_paymeth_a
q211_paymeth_b
q211_paymeth_c
## create new variables for cash identity

```plaintext
papermethod_amnt = 0
IF payment method q211_paymeth_a = “Cash” then papermethod_amnt = papermethod_amnt + q211_paymeth_a
IF payment method q211_paymeth_b = “Cash” then papermethod_amnt = papermethod_amnt + q211_paymeth_b
IF payment method q211_paymeth_c = “Cash” then papermethod_amnt = papermethod_amnt + q211_paymeth_c
```

IF Payment Method = “Other payment method” THEN

```
(paper_pi_001_N)
Please tell us what other kind of payment method you used to fund your [FILL: paper payment instrument from above] purchase.

[open ended text box]
```

ENDIF (payment method = “other”)

### Error checking

So far, we have created the following variables:

- amntcashend_day0
- amntcashpurch
- numcashpurch
- amntcashdeposits
- numcashdeposits
- amntcashwith
- numcashwith
- amntprepaidload
- numprepaidload
- amntcashend_dayX, where X = [1, 2, 3]

Next, we will create a few intermediate variables.

- amntcashout = sum(amntcashpurch, amntcashdeposits, amntprepaidload)
- amntcashin = amntcashwith
- numcashtrans = sum(numcashpurch, numcashdeposits, numcashwith, numprepaidload)

Now we can create the flag which indicates a good cash identity for Day 1:

- If abs(amntcashend_day1 – amntcashend_day0 + amntcashout – amntcashin) <= numcashtrans then goodcashid = 1.
- Else goodcashid = 0.

Likewise, for days 2 and 3, the good cash identity flag is as follows:
• If abs(amtncashend_dayX – amntncashend_day[X-1] + amntncashout – amntncashin) <= numcashtrans then goodcashid = 1.
• Else goodcashid = 0.

Create a new variable called reported_cashend, which will equal
• reported_cashend = amntncashend_day[X-1] – amntncashout + amntncashin
• In other words, the amount of cash at the end of yesterday, minus all cash outflows, plus all cash inflows.

## New screen -- Only show screen if goodcashid = 0, in other words, they have a bad cash identity.

If reported_cashend - amntncashend_day[1,2,3] not equal to 0 THEN

IF goodcashid = 0 THEN

(q107)

Are there any other cash activities on [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”] that were not reported previously in today’s online diary?

To help you remember, you

****for each of these next text lines, only show if value is > 0****

## display as table

<table>
<thead>
<tr>
<th>Number of cash transactions (includes all cash payments, deposits, and withdrawals)</th>
<th>totcashtrans</th>
</tr>
</thead>
<tbody>
<tr>
<td>Amount of cash you started with in your wallet, purse and/or pocket</td>
<td>$[amntncashend_day[0,1,2]]</td>
</tr>
<tr>
<td>Dollar amount of cash payments</td>
<td>$[amntncashpurch]</td>
</tr>
<tr>
<td>Dollar amount of cash withdrawals</td>
<td>$[amntncashwith]</td>
</tr>
<tr>
<td>Dollar amount of cash deposits</td>
<td>$[amntncashdeposits]</td>
</tr>
<tr>
<td>Dollar amount loaded onto prepaid or gift cards</td>
<td>$[amntprepaidload]</td>
</tr>
</tbody>
</table>

Based on what you told us about your payments and cash activity today, we calculated that you should have \$[reported_cashend] in your wallet, purse, and/or pocket. But you told us you ended the day with \$[amntncashend_day[1,2,3]].

There is a difference of \[reported_cashend - amntncashend_day[1,2,3]\] dollars

Please help us to understand why your reported cash activity does not match the total shown.
Perhaps you forgot to report some cash payments, withdrawals or deposits. If you are able, please explain in the activities and amounts in the box below.

[provide open ended response text box for the diarist to explain]

### Ask for those with goodcashid = 0.

***skip down two blank lines***

(penny_q1)

When you receive pennies as change, what do you do with them most of the time?

***randomize response options***
• 1 – Put pennies in pocket, purse, or wallet
• 2 – Leave pennies with cashier
• 3 – Give pennies to charity box, take a penny/leave a penny, or tip jar

*** new screen ***

(penny_q2)

When you keep pennies where do you put them most of the time?

*** randomize response options 1 – 3, pin option 4 to the bottom ***

• 1 – In my vehicle
• 2 – In my pocket, purse, or wallet
• 3 – Store at home
• 4 – I always leave pennies with the cashier or give to charity box, take/leave a penny, or tip jar

*** new screen ***

if penny_q2 in (1, 2, 3) then

(penny_q3)

After keeping pennies, what do you do with them most of the time?

*** randomize response options 1 – 6 ***

• 1 – Save to make purchases
• 2 – Throw away in fountain, on the ground, trash can, etc.
• 3 – Deposit at bank
• 4 – Give to a family member
• 5 – Donate to charity
• 6 – Take them to a coin kiosk or exchange machine

end if

b) Faster payments – one time module 2019 only

## new screen fastpay_intro and fastpay_q1 on same screen

(fastpay_intro)

Faster payments allow individuals and businesses to send and receive payments within seconds at any time of the day, on any day of the year, such that the receiver of a payment can use the funds almost instantly.
If you make a payment, whether to pay a bill or to pay a friend, money will leave your account immediately. If you receive a payment, money will be in your account and available to you immediately.

(fastpay_q1)
Before reading this information, had you heard of faster payments?

• 1 – Yes
• 2 – No

IF fastpay_q1 = YES
  (fastpay_q2)

  Do you use any methods of faster payments?

</tr>
</tbody>
</table>
### Variable names

#### How $N$ is defined: The counter $N$ should start at 1 more than the last payment reported in the regular payments section on Day 3. For example, if the respondent had 5 payments on Day 3, their first bill should have $N = 6$. If the respondent had 0 payments on Day 3, then $N = 1$.

#### Variable names for the bill payment entry screen. These names are the same as the regular payment entry screen, with the exception of bill_dday_N.

- bill_dday_N
- payamnt_N
- paymethod_N
- paylocation_N
- paydevice_N
- from_bill_section_N = 1. Set this value equal to 1 when the payment comes from the bills section.

#### Here we should do a few things.

- In the bill section, the counter “$N$” should be set to be 1 more than the last payment reported on Day 3
- The new variable “from_bill_section_N” should be set to 1. This variable is also used in the main payments section, and is set to 0 when the payment comes from the main payments section.
- Set variable PAY002_N = 1 for this payment. This is because this payment is a bill.
- The next screen to display is PAY001_N. This is the screen we’re calling the “Super MCAT list”
- Ask the entire merchant categorization section and payment instrument follow-up section, exactly as if this were a payment reported on Days 1, 2, or 3.
- At the end of the last question of the merchant categorization questions and the payment instrument follow-up questions, display this screen:

#### New screen

#### Error Check for large dollar amounts

IF payamnt_N >= 1000 THEN
The dollar amount you reported is unusually large. You reported an amount of 

$[\text{FILL: payamnt}_N, \text{formatted with dollar sign and commas as necessary}].$

Please confirm that this is the correct amount.

If the dollar amount is not accurate, select “No” below and enter the correct amount on the following screen.

Is the amount you reported correct?

1—Yes  
2—No  

## If they select NO, take them back to the BILLS payment entry screen

END IF (payamnt_N >= 1000)

## New screen – bill recap screen

You indicated that you paid the following bills during the diary period, and you did not report them on Days 1, 2, or 3 in the main payments section:

- [BILL #1]  
- …  
- [BILL #n]

If you paid one of the bills listed above two or more times, report each payment separately.

You’ve already reported the following payments:

[bill recap rows]

If you have another bill to report, select “Report another bill” and click the Next button. Otherwise, select “Continue” and click the Next button.

- 1 -- Report another bill  
- 2 -- Continue

# Here, if they click “Continue” but the number of times they’ve looped through is less than “number_of_bills”, then display the following screen:

## New screen

(bill_continue)
Why did you report fewer payments than the number of bills you indicated that you paid?

1- I forgot to report one or more bills
2- One or more of the bills was paid in a bundle
3- Some other reason (specify)
   a. [open ended text box]

IF bill_continue = 1, then take the respondent back to the “recap” screen:

END IF (any of q65_01, 02, 03, 04, 05, 06, 07, 08, 09, 10, 11 = YES)

Phone, cable, or internet payments

During the past three days, from [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”] to [DISPLAY DIARY DATE HERE, example “Wednesday, October 3”], did you make any of the following types of phone, cable or internet payments?

- If you paid as part of a bundle or package deal, please say “Yes” to all parts of the bundle, and then report them as one payment on the next screen.
- Do not include bills you’ve already reported on Days 1, 2, or 3 of your Diary.
- Remember to include any bills that were paid automatically during your Diary days.

    Please tell us the date that you checked the balance of your primary general purpose prepaid card.
IF gpr_bal > 1000 THEN
  (gpr_bal_followup)
  The dollar amount you reported for the balance of your primary GPR prepaid card is unusually large. You reported an amount of [FILL: value of gpr_bal, formatted with dollar sign and commas as necessary].

  Please confirm that this is the correct amount. If the dollar amount is not accurate, select “No” below and enter the correct amount on the following screen.

  Is the amount you reported correct?
  1-Yes
  2-No  ## if they select NO, take them back to the screen with gpr_bal
END IF (gpr_bal > 1000)

d) Rating the diary (our questions and RAND cs_001, cs_003)

(q24) Were the instructions / definitions and examples for filling out the paper diary and the online diary clear and helpful to you?
  1. Yes
  2. No

(q25) Please tell us how you kept track of your daily payments and cash activity. Did you...
  • Check all that apply

  1. ...carry the large paper diary?
  2. ...carry the smaller checkbook sized diary?
  3. ...keep receipts?
  4. ...consult your financial records (bank statements, credit card statements, etc.)?
  5. ...use your memory?
  6. ...use some other method?
  7. None of these methods

IF q25 = 3
(q30)
  Did you keep your receipts in the receipt bag that you received in the Fed Ex package?
  1. Yes
  2. No
ENDIF

IF q25 = 6
  (q26)
    Please tell us how you kept track of your payments and cash activity.
    [open ended response box]
ENDIF

IF q25 = 3 or 4 or 5 or 6 or 7 and not (1 or 2)
  (q27)
    Please tell us why you did not carry the large paper diary or the checkbook sized diary.
    [open ended response box]
ENDIF

(q28)
Do you have any comments about the large paper diary, the checkbook sized diary, or the nightly online diary?
  [open ended response box]

e) Video??
****Finally, the video should have a few questions***
***Keep track the following things each time the video is watched:
  1. Who watched it.
  2. When they watched it. (time and date)
  3. How much of it they watched (the length of time)
  4. Ask them to rate the video (1-5 stars)

(cs_004)
Did you watch the instructional video for this diary?
  1. Yes
  2. No

## cs_005 and cs_006 on the same screen
IF cs_004 = YES THEN
  (cs_005)
    Was the video helpful to your diary experience?
    1. Yes
    2. No

  (cs_006)
    Do you have any comments on the instructional video?
    [open ended response box]
END IF
****Wrap-up questions at the end of each survey****

(cs_001)
Could you tell us how interesting or uninteresting you found the questions in this interview?
    1. Very interesting
    2. Interesting
    3. Neither interesting nor uninteresting
    4. Uninteresting
    5. Very uninteresting.

(cs_003)
Do you have any other comments on the interview?
Please type these in the box below.

f) End of Day 3 text
   Thank you for completing the final day of your diary.
