II. Financial responsibility question

(Fr001_intro)

Financial Responsibility
Help us to understand your role in the financial activity of your household.

In your household, how much responsibility do you have for these tasks?
   • Check one per row only.
None or almost none | Some | Shared equally with other household members | Most | All or almost all
---|---|---|---|---
(fr001_a) Paying **monthly bills** (rent or mortgage, utilities, cell phone, etc.)

(fr001_b) Doing regular **shopping** for the household (groceries, household supplies, pharmacy, etc.)

(fr001_d) Making decisions about **saving and investments** (whether to save, how much to save, where to invest, how much to borrow)

(fr001_e) Making decisions about **other household financial matters** (where to bank, what payment methods to use, setting up online bill payments, filing taxes)

**Common Payment Methods**

Please review these definitions of ways to pay.

</tbody>
</table>

**Paper payment instruments**

| Cash | Coins and paper bills. |
| Check | You write a paper check to a person or business. |
| Money order | You purchase a money order from a bank, post office, check-cashing store, or retail store. At the time of purchase, you specify the amount and the person or business to be paid. |

In the questions that follow, please rate all payment methods, even if you do not use them.
### III. Assessment of Characteristics (AS)

**Currently, we randomize the order of the six characteristics (Security, Acceptance, Cost, Convenience, Getting & setting up, and Payment Records). In addition, can you randomize the payment instruments by these three groups:**

1. Paper (Cash, Check, Money order),
2. Card (Debit card, Credit card, Prepaid card), and
3. Electronic (Bank account number, Online banking bill pay).

So within each group, there would be no randomization, but we will randomize (1, 2, 3).

This randomization would apply across all 6 characteristics, so if the order of the payment instrument groups is (3,1,2) then it will be that same order for all 6 characteristics.
